Selection Procedures:

Consultants will be selected for work items further described herein, based on the evaluation of the Letter of Interest (LoI) and other required documents. The Consultant Selection Rating Form that will be used to evaluate and score the submittals is included for your reference.

To be eligible for consideration, the lead consultant must be prequalified by INDOT.

Requirements for Letters of Interest (LoI)

A. General instructions for Preparing and Submitting a Letter of Interest (LoI)

1. Provide the information as set out in Item B below, in the same order listed, signed by an officer of the firm. Scanned signed documents or electronically applied signatures are both acceptable. Do not send additional forms, resumes, brochures, or other material unless otherwise noted in the item description.
2. LoI's shall be limited to a total of twelve (12) 8 ½" x 11" pages. Ten(10) pages for Identification and Qualification and two (2) pages for the combined Key staff and Project Approach unless otherwise noted in the Project Description.
3. LoI's must be received not later than "Response Due Date and Time" as shown in the RFP header shown above. Responses received after this deadline will not be considered. Submittals must include all required attachments to be considered for selection.

B. Letter of Interest Content

1. Identification and Qualifications

- a. Provide the firm name, address of the responsible office from which the work will be performed and the name and email address of the contact person authorized to negotiate for the associated work.
- b. List all proposed sub consultants, their DBE status, and the percentage of work to be performed by the lead consultant and each sub consultant (sample Affirmative Action Certification follows). A listing of certified DBE's eligible to be considered for selection as prime consultants or sub-consultants for this RFP can be found at the Indiana Department of Transportation's (INDOT) website. (<http://www.in.gov/indot/2576.htm>).

committed for the contract, if selected. Include project engineers for important disciplines and staff members that will be responsible for the work. Address the experience of the key staff members on similar projects and the staff qualifications relative to the required item qualifications.

b. Describe the capacity of your staff and their ability to perform the work in a timely manner relative to present workload and the availability of the assigned staff.

c. Provide a description of your Project Approach relative to the advertised services. For project specific items that the firm has visited the project site. For all items firm's technical understanding of the project or services, as related to your firm's qualifications. confirm address your

Requirements for Affirmative Action Certification

A completed Affirmative Action Certification form is required for all items that identify a DBE goal. The consultant must identify the DBE firms with which it intends to subcontract. Include the contract participation percentage of each DBE and list what the DBE will be subcontracted to perform on the Affirmative Action Certification Form. **Copies of DBE certifications, as issued by INDOT, for each firm listed are to be included as additional pages after the form.** If the consultant does not meet the DBE goal, the consultant must provide documentations on additional pages that it has made good faith efforts to achieve the DBE goal. Please review the DBE program based on any goals set and complete the DBE Affirmative Action Certification form as applicable. What constitutes good faith efforts is explained in detail within the DBE program information referred to above. If no goal is set then no Affirmative Action Certification form is required. Indiana Department of Transportation's (INDOT) DBE Program Information is available at the Indiana Department of Transportation's website.

A listing of certified DBE's eligible to be considered for selection as prime consultants or sub-consultants for this RFP can be found at the Indiana Department of Transportation's (INDOT) website. (<http://www.in.gov/indot/2576.htm>)

DBE subcontracting goals apply to all prime submitting consultants, regardless of the prime's status of DBE.

Work Item Details

Local Public Agency:	<i>City of Lebanon</i>
Project Location:	<i>Hendricks Drive between Indianapolis Avenue to the East and Abner Longley Park to West, near the edge of the Canterbury Apartments Property (i.e., existing sidewalks in front of property and along Hendricks Drive)</i>
INDOT District:	<i>Crawfordsville</i>
INDOT Des. No.:	<i>0810441</i>
Project Phases Included:	<i>Preliminary Engineering & Construction Engineering</i>

Project Description: *The project will construct a 10-ft. wide 4-inch thick multi-use asphalt path (with appropriate sub-grade treatment) along the south side of Hendricks Drive directly in front of Hattie B. Stokes Elementary School. A 5-ft. wide buffer strip of grass lawn between the existing roadway and the multi-use path should also be included in the project design. The project design should also include pedestrian signage to be installed at each mile, similar to other multi-use paths in the area (existing or planned) and throughout the State of Indiana. The multi-use path will cross seven (7) commercial driveways along Hendricks Drive, thus requiring sidewalk transitions or ADA accessible ramps for each crossing. Open drainage ditches, swales, and driveway culverts along much of the project must be addressed to ensure adequate drainage is maintained for both Hendricks Drive and adjacent properties south of Hendricks Drive, as well as for the multi-use path itself.*

Because pedestrian connectivity is central to this project, the project design should also include connections to all existing and planned pedestrian sidewalks and resources directly adjacent to the project area. Specifically, the project design should consider all existing sidewalks at the Hattie B. Stokes Elementary School Property and the future pedestrian and bicycle crossing planned across Indianapolis Avenue. Additional project design requirements and specific pedestrian facilities and amenities included in the project are described in the Safe Routes to School Application submitted for this project and should also be included in the final design.

Estimated Construction Amount:	<i>\$150,000 (construction only)</i>
Funding:	<i>Federal funding</i>
Term of Contract:	<i>From start of project through Construction Engineering</i>
DBE goal:	<i>0 %</i>
Required Prequalification Categories:	<i>5.2 Environmental Document Preparation-CE 8.1 Non-Complex Roadway Design 11.1 Right-of-Way Plan Development 13.1 Construction Engineering</i>

AFFIRMATIVE ACTION CERTIFICATION FOR DBE

I hereby certify that my company intends to affirmatively seek out and consider Disadvantaged Business Enterprises (DBEs) certified in the State of Indiana to participate as part of this proposal. I acknowledge that this certification is to be made an integral part of this proposal. I understand and agree that the submission of a blank certification may cause the proposal to be rejected. I certify that I have consulted the following DBE website to confirm that the firms listed below are currently certified DBEs: https://financial.gmis.in.gov/psc/guest/EMPLOYEE/ERP/c/SOI_APPS_MWBE.SOI_DBE_CERT.GBL?& I certify that I have contacted the certified DBEs listed below, and if my company becomes the CONSULTANT, these DBEs have tentatively agreed to perform the services as indicated. I understand that neither my company nor I will be penalized for DBE utilization that exceeds the goal. After contract award, any change to the firms listed in this Affirmative Action Certification to be applied toward the DBE goal must have prior approval by INDOT's Economic Opportunity Division.
